Pine Bluff Arsenal is a very small installation with a minimal number of Active Duty Soldiers assigned and therefore has a very small MWR program. The programs that we do have are very adequate. We do not have a club of anytype currently open to get food or beverage, having one would be nice for lunch meals and an evening social hour.

I live approximately 25 miles from the installation I work at. If I were to participate in on post activities, it would conflict with those activities that I do with my wife and for my community.

I am interested in spending as little time on post outside of work as possible. I come here to work and then I go home.

Being an avid mountain biker I would like to see more trails for MB riding.
I would also like to see some attention and maintenance given to the nature trail located east of the fitness center (across the street).
I used to run this trail in the mid 1990's. Upon returning to work here this last February, I was dismayed that this trail had been almost abandoned. I spent one entire weekend (Friday, Saturday and Sunday) riding this trail with my mountain bike, clearing it as I rode. It was quite impassable in many locations. It is now clear for bike riding. Being very wooded this trail needs attention (clearing) almost weekly. Extending this trail would be very welcome.

Although my son is now 17, he was in the Youth Services program from age 5 until age 14. He and I both loved it. He was there during summer camp and before and after school. One problem I had with the program was that the summer camp filled up fast and they quit taking "part-time" children. This posed a problem since I was divorced at the time and my son would spend some of the summer with his father. I had to pay for every week whether he went or not. The only other problem was the cost of the summer camp programs. The cost was based on your total families income. Before and after school cost wasn't an issue. I think the MWR services are great for military and they're families, especially the ones that live on post. I know employees who do come out here to play golf, hunt and fish. I too enjoy fishing out here. I do wish there was an RV park out here with full hook-ups at the lakes.

The facility that houses the recreation center/gymnasium is in bad need of upgrading. The equipment and staff is ok but the facility is poor.

It would be great if there was an automotive skills shop on the Arsenal and an Arts and Crafts center with a Wood Shop, I've been stationed overseas in far smaller communities that had those services available so why not here, especially now that we'll still be operational for a while (Thank God).

We do not know much about what services or activities are offered. I have fished in the lake and bring my grandchildren to the swimming pool in the summer when they stay with us. They are also signed up for the beginner golf classes. My wife would be interested in taking any art classes that were offered.

PB Arsenal is too difficult to access.

Overall Comment

No matter what is offered by PB Arsenal I would not participate as the access to the Arsenal is too difficult for retirees. I consider the reception to almost be hostile.

The post that I am near is the Pine Bluff Arsenal and it does not have a large MWR component. The weight rooms at the gym ar great but it has just two small sunas for the men anw women to use. I wish there was a travel agency here that I could use. I bowl but the four lane bowling alley on post closed some years ago and was turned into a weight room. There are a large number of retirees in the Pine Bluff area but we mostly have to use what available on the economy.

The Club service here is abismal. The Club manager cares about catering to the off-post contracts and not for residents. Poor food and a lck on enthusiasm. We want things here because we have to drive to Little Rock, 45 miles away for anything. It would be nice to have a family night dinner or a social hour on Fridays. In any case, the Club mangement and senior MWR leadeership view these as a waste to the more lucrative catering market. That's why they are ONLY open for lunch.
